

## What Should I Bring?

We recommend the following on all trips:

- Camera
- Sunblock
- Lunch and snacks\*
- Sweatshirt or jacket
- Baseball cap or sun hat
- Sunglasses (polarized are best)
- Boat shoes or non-marking sneakers
- Beverages (no glass bottles or hard alcohol, please)\*

For Offshore Fishing we also recommend:

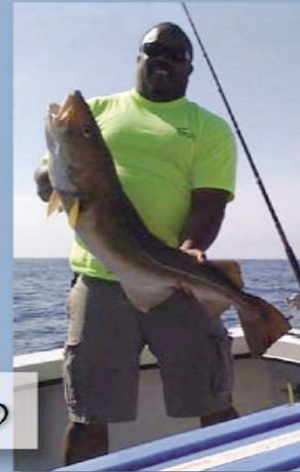

- Foul weather gear
- Non-marking soled rubber boots
- Empty coolers (to be left in vehicles)\*

\*Due to limited deck space, we ask that customers consolidate their food/drink into no more than one large cooler and leave the empty coolers in your vehicles to transport your catch home.

# Welcome Aboard

The Blue Moon II is a 38-foot Harris powered with twin Volvo turbo diesel engines.

She has ample indoor seating for all passengers and crew, a private head (restroom), heated cabin, stereo system, Igloo cooler for food and drink, and large commercial fish box (so that your lunch and drinks are always fish gut free!).

She is fully equipped with state of the art electronics, including NORTHSTAR GPS/Chart plotter, SI-TEX Fish Finder, autopilot, radar, and multiple VHF radios. Onboard the Blue Moon II we exceed USCG safety equipment requirements. We carry Type I life preservers, EPIRB, life ring, flares, plus a life raft, and survival suits.

The Blue Moon II is an excellent fishing machine as well as an attractive boat for harbor cruises, whale watching, sunset cruises, fireworks cruises, and harbor tours.

# Fishing

Neponset Sportfishing Charters fishes for many different species. From April to November we fish for Cod and Haddock. In the summer and fall we fish for Striped Bass, Bluefish, Blue Fin Tuna, Sharks, Cod, and Haddock.

We provide all quality fishing gear - rods, reels, tackle and when baiting, we use the finest bait available. On the ride home or back at the dock, the captain or mate will fillet your catch. We also catch and release if that is your preferred method.

For offshore sport fishing the Blue Moon II is equipped with a fighting chair and outriggers. We can handle all sizes of shark and tuna with our selection of Penn International Series reels. We have standup gear as well as bent-butt rods to fight fish from the chair.
